HOUSING AND REDEVELOPMENT AUTHORITY OF VIRGINIA, MINNESOTA

DECONCENTRATION POLICY

In conformance with the Quality Housing & Work Responsibility Act of 1998, the Housing and Redevelopment Authority (HRA) of Virginia, Minnesota has adopted the following *Deconcentration Policy*.

It is the HRA’s policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments.

The HRA will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, the HRA will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located (when available), and the income levels of the families on the waiting list. Based on this analysis the HRA will determine the level of marketing strategies and deconcentration incentives that may be needed.

SECTION 8 HOMEOWNERSHIP CAPACITY STATEMENT

The Virginia HRA has administered a Family Self-Sufficiency (FSS) program for several years. While working with the clients of the program over this time period, several FSS clients have expressed the desire to become homeowners. The HRA has applied for a FSS Homeownership Coordinator grant for the last three years, however, we have not had the opportunity of receiving funds. Therefore, even though we do not specifically have a formal Homeownership Coordinator grant, through the FSS program the HRA FSS Coordinator has helped three (3) FSS clients pursue the purchase of a home of their own.

The Virginia HRA will continue to promote Homeownership as a part of the Family Self-Sufficiency program, and will continue to apply for a FSS Homeownership Coordinator Grant.
